

The Dartmouth Music Festival 2022 provided an excellent focus for our first South West Group Westerly meet afloat of the year. We assembled on a deep water pontoon for our first party, and were joined by other owners, arriving by tender! A couple of extra Westerlys turned up to join us, which was great. We had a good walk down to Dartmouth Castle (and café) and from there some of us walked up to Gallants Bower to marvel at the wildflowers and superb panoramic view. The weather was kind, the water taxis were very efficient and the music was fantastic! Our bacon butty pontoon party raised a marvelous £60 for RNLI Torbay Lifeboat. We will do it all again next year!
